

# Grand Valley Trails Association

Revision 2 to Map 9

Section that has changed:

**Black Walnut Section at Sudden Regional Forest**

**Effective February 2020**

The trail no longer turns right at coordinates 43.307330,-80.365420. See XXX on map. The main trail now veers left and continues to the parking lot and Spragues Road. At Spragues Road, the trail turns right and follows the shoulder of the road. The overall change in distance is an increase of about 60 metres. This change is in effect from now until the spring when the trail will be rerouted within the Sudden Forest.

### Online maps

Updated GVT maps are available online on the Ondago app. Simply download the Ondago app, select the Grand Valley Trail maps from the catalogue and download the map you need. Online maps are interactive and show your progress as you walk along the trail. Once a map is downloaded, you do not require a data connection while walking the trail. This reroute will be available on line once the permanent reroute in Sudden Regional Forest will be done.
