

Grand Valley Trails Association

Revision to Map 3

Section that has changed:

Towpath section – Reroute at Hwy 54

Effective May 2022

Ruthven Park National Historic Site has made the decision to maintain the trails on their property independently from the GVTA. As a result, the GVTA trail now continues along Hwy 54 avoiding entry into the park.

Online maps

Updated GVTA maps are available online on the Ondago app. Simply download the Ondago app, select the Grand Valley Trail maps from the catalogue and download the map you need. Online maps are interactive and show your progress as you walk along the trail. Once a map is downloaded, you do not require a data connection while walking the trail.
